Dear Senator Proxmire,

In view of the many recent arrests that the Korean government has admitted to, and especially the dealings of the Chun Doo Whan regime with Kim Dae Jung, a Catholic leader of the democratic opposition to the new dictatorship, I urge you to reconsider carefully U.S. support, especially military aid, to the present South Korean government. Chun Doo Whan has little regard for U.S. government and public opinion. It would be well to put pressure on him by withdrawing help.

Thank you.

Sincerely yours,

Dear Senator Proxmire,

I urge your support of the Child Nutrition Bill (S 2675). Do not allow a cutback in the amount of money being considered. If the budget needs cutting, it ought to be done elsewhere, such as for military purposes.

It may be easier to lessen support of the poor--their cries are not as loud as the voices of the powerful. All the more reason for us to listen, and be moved to compassion. Power is in your hands. Please help provide adequate funding for so just a cause as feeding the hungry. You have shown willingness and excellent sense in this in the past. I depend on this now.

Thank you.

Sincerely yours,

Sister Marilita Lorenz
